FOREWORD

Here's how to squeeze a little "me time" into every day: Sudoku to go!

Just the right size to throw in your bag, this collection of 84 puzzles provides the perfect down-time distraction, whether it's during your commute, on the checkout line at the market, or waiting for soccer practice to end.

Start with the "warm up" and "very easy" puzzles and as your puzzling skills get sharper, move to the "medium," "hard," and "expert" puzzles.

Each page is perforated and self-contained (the answers are on the back), so these puzzles are ready to go when you are.

Enjoy!

As you keep going through this puzzle, you'll find it gets easier as you fill in more numbers. And as you keep working through the puzzles in this book, you'll find they get easier and more fun each time—even as the puzzles become more challenging. The final answer is shown below.
